

PROTECTING YOUR ASSETS AT HOME AND ABROAD.

Global Insurance.

As more U.S. companies pursue growth opportunities outside their own borders, the more susceptible they are to a wide array of global risks. From country specific business, legal and regulatory exposures to injuries on company premises and product defects that result in recalls, you need a partner with the insight and experience to help you navigate the risks of today's competitive global business environment.

As an experienced industrial insurer with a tradition spanning more than a century, we pride ourselves on being a trusted and reliable partner by offering tailored programs to meet the evolving needs of our clients. With an international network of local insurers in more than 150 countries, broad product array, customer-focused underwriting, and superior service, in tandem with our ability to navigate ever-evolving, country-specific regulations and compliance issues, we create innovative insurance solutions for multinational companies.
