Fig. 1: The Reporting Service offers a quick overview of policies across all countries over the last 10 years.

The screenshot shows the HDI Reporting Service interface. At the top, there are navigation tabs: HDI, Reporting, **Renta**, Contracts, Premiums, Premium Collection, Claims, Documents, and Support. On the right, there are links for Language and Menu. Below the navigation bar, there is a 'Filter' button and a 'View Renta by' section with 'Year' and 'Country' options. A note indicates 'Amounts displayed in EUR' and an 'Export to Excel' button. The main table displays data for the years 2014 to 2023. The table has 8 columns: Year, Premium, Number of claims, Indemnities, Costs, Reserves, Total incurred, and Loss ratio. The data shows a general downward trend in most metrics over the years, with a significant increase in the loss ratio in 2014.
